

1st QUARTER WATER-SEWER BILLS HAVE BEEN MAILED
AND WILL BE DUE ON 2/28/17.

PLEASE NOTE THAT EFFECTIVE 1/1/17 THE
RESIDENTIAL RATES ARE AS FOLLOWS:

QUARTERLY BASE CONNECTION SERVICE CHARGE	\$141.12 PER UNIT
PLUS WATER-SEWER CONSUMPTION CHARGE	\$4.10 PER 1000 GALLONS METERED

THE COMBINED TOTAL IS THEN DIVIDED, HALF TO WATER CHARGES &
HALF TO SEWER CHARGES ON YOUR BILLING POSTCARD.

PLEASE NOTE: DUE TO THE STATUS OF THE TOWN-WIDE METER REPLACEMENT PROJECT, METERS WERE NOT READ UNTIL JANUARY 26, 2017. 1ST QUARTER BILLS INCLUDE THE FINAL READING ON OLD WATER METERS AND THE CONSUMPTION (SINCE INSTALLATION THROUGH 1/26/17) ON THE NEW METERS. DEPENDING ON YOUR INSTALLATION DATE, THE CURRENT USAGE PERIOD MIGHT BE LONGER THAN THE NORMAL 3 MONTH PERIOD IN WHICH YOU ARE BILLED. FOR EXAMPLE, IF YOUR METER WAS REPLACED ON SEPTEMBER 1, 2016, THE CONSUMPTION PERIOD WOULD BE 4 ½ MONTHS (9/1/16 – 1/26/17). THE NEXT QUARTERLY BILL WILL THEN ONLY INCLUDE 1 ½ MONTHS OF CONSUMPTION.
