Prior to any new hiring, we first invite back those employees who worked for us last summer and received a satisfactory work evaluation. Once we determine how many will return and what our needs are for the coming season, we go to the applicant list and begin interviewing. This process takes time and will not be completed until late April. At that time, if we are interested in speaking with you, **WE WILL CONTACT YOU. DO NOT CALL** the Manasquan Borough Hall regarding the status of your application.

The personnel at the Borough Hall do not assist in the hiring process, nor are they prepared to answer your questions.

In some job areas our entire staff from last year may return and there will be **no new openings** for next season. We will keep your application on file during the summer and contact you if positions become available. In the past few years there were few, if any, new applicants hired.
