**BOROUGH OF MANASQUAN**  
COUNTY OF MONMOUTH  
NEW JERSEY 08736

JOSEPH R. DEIORIO  
Municipal Administrator/  
Chief Financial Officer

September 16, 2016

Dear Residents,

The Borough Council has approved a street paving project on various streets in the Borough. You can see the areas impacted on the project map which is attached.

The Council has been successful in negotiating an agreement with New Jersey Natural Gas to partner with us in this street project. Part of the project costs are being paid for by New NJNG.

The project is currently being bid and should start around about the end of October. We have asked the contractor to send an additional notice at least one week prior to beginning work.

We recommend that if you plan to do any water line or sewer line work to your home, you do this before the final paving is completed. The Borough road opening ordinance calls for an eight (8) year moratorium on opening roadways following the paving project. The ordinance does provide for exceptions to this eight (8) year moratorium, but requires a more costly opening repair.

Please feel free to contact our interim administrator John Trengrove should you have any questions or concerns. He can be reached at 732-223-0544 ext. 234.

Very truly yours

Jeff Lee  
Chairman of Public Works Committee
